Part 2

Explanatory notes for completing the animal health certificates

- (a) Where the certificate states that certain statements shall be kept as appropriate, statements which are not relevant may be crossed out and initialled and stamped by the official veterinarian, or completely deleted from the certificate.
- (b) The original of each certificate shall consist of a single sheet of paper, or, where more text is required it must be in such a form that all sheets of paper required are part of an integrated whole and indivisible.
- (c) The certificate shall be drawn up in at least one of the official languages of the Member State of entry and in English. It shall be completed in block letters in at least one of the official languages of the Member State of entry or in English.
- (d) If additional sheets of paper or supporting documents are attached to the certificate, those sheets of paper or document shall also be considered as forming part of the original of the certificate by the application of the signature and stamp of the official veterinarian, on each of the pages.
- (e) When the certificate, including additional sheets referred to in point (d), comprises more than one page, each page shall be numbered (page number of total number of pages) at the end of the page and shall bear at the top of each page the certificate reference number that has been designated by the competent authority.
- (f) The original of the certificate shall be issued by an official veterinarian of the territory or third country of dispatch or by an authorised veterinarian and subsequently endorsed by the competent authority of the territory or third country of dispatch. The competent authority of the territory or third country of dispatch shall ensure that rules and principles of certification equivalent to those laid down in Directive 96/93/EC are followed.

The colour of the signature shall be different from that of the printing. This requirement also applies to stamps other than those embossed or watermarked.

(g) The certificate reference number referred to in boxes I.2 and II.a. shall be issued by the competent authority of the territory or third country of dispatch.

Part 3

Written declaration referred to in Article 25(3) of of Regulation (EU) No 576/2013

Section A

Model of declaration

I, the undersigned

[owner or the natural person who has authorisation in writing from the owner to carry out the non-commercial movement on behalf of the owner⁽¹⁾]

declare that the following pet animals are not subject to a movement that aims at their sale or a transfer of ownership and will accompany the owner or the natural person who has authorisation in writing from the owner to carry out the non-commercial movement on behalf of the owner⁽¹⁾ within not more than 5 days of his movement.

Transponder/tattoo ⁽¹⁾ alphanumeric code	Animal health certificate number

During the non-commercial movement, the above animals will remain under the responsibility of

⁽¹⁾*either* [the owner];

- ⁽¹⁾or [the natural person who has authorisation in writing from the owner to carry out the non-commercial movement on behalf of the owner]

Place and date:

Signature of the owner or natural person who has authorisation in writing from the owner to carry out the non-commercial movement on behalf of the $owner^{(1)}$:

(1) delete as appropriate.

Section B

Additional requirements for the declaration

The declaration shall be drawn up in at least one of the official language(s) of the Member State of entry and in English and shall be completed in block letters.
